

Encourage networking and help to find some networks.

# Examples of coding networks.

## MissInTech

<https://www.facebook.com/MissInTech/>

MissInTech works to attract women to ICT. Their workshops aim to empower, educate and equip women with the skills required to follow a career in this field.

Training Opportunities ([eskills.org.mt](https://www.eskills.org.mt))

The eSkills Malta Foundation is a National Coalition made up of various representatives from Government, industry and education, who can contribute to the increase in digital skills and the development of the IT profession. They have a dedicated focus group called “Women in ICT” that aims at empowering females in the ICT world. Events, short courses and other activities are organised for women of different ages and educational backgrounds.
